MEMORANDUM FOR THE RECORD

SUBJECT: Discussion with IHSA [redacted]
Regarding IH Organization Study

25X1

1. Met on 1 May 1981, 1400 - 1500 hours.
2. Main discussion topics were:
 - a. Introducing the current study;
 - b. Discussion of the five "Reasons for Change."
Bob believes that any future technology which could influence the organization in the next 10 years is already a known item; and
 - c. Bob's main concern in any reorganization effort is that development and operational efforts do not exist in the same organizational entity. The separation of these activities, he believes, introduces stability on the operational side.
